Look what Sarah says about her typical working day:

I usually get up at six and I don't have any breakfast because I'm not hungry. I walk to work and it takes me about half an hour. I start work at 8 o'clock. At noon I usually have lunch in our canteen. I finish work at 5 o'clock and I'm always very tired when I get home. I usually cook a meal in the evening. I don't usually go out.
